

Personal assistance is just a phone call away

Care Management and Outreach Team

Whether it's helping to get medications, supplies, or medical equipment or helping to make a provider appointment or find a primary care provider (PCP) or specialist, the Care Management and Outreach Team is here to help. The team is trained to help answer your health care questions and find available community services.

24/7 Nurse Call Line

When your provider is not available, the 24/7 Nurse Call Line provides trained nurses to help you choose the right level of care based on the symptoms you are having. Members can call 24 hours a day, seven days a week, and get the answers they need. It's a confidential service, so your questions and answers are kept private. Plus, the 24/7 Nurse Call Line has an audio health library where you can listen to information on a variety of health topics.
