Section 1 – Introduction

This directory provides a list of AmeriHealth Caritas VIP Care's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally you must get your health care services from your PCP. Your primary care provider is the doctor or other provider you see first for most health problems. He or she makes sure you get the care you need to keep you healthy. He or she may talk with other doctors and health care providers about your care and refer you to them. In many Medicare health plans, you must see your PCP before you see any other health care provider.

The network providers listed in this directory have agreed to provide you with your health care, vision, and dental services. You may go to any of our network providers listed in this directory however, some services may require a referral. A referral means that your primary care provider (PCP) must give you approval before you can see someone that is not your PCP. If you do not get the referral, AmeriHealth Caritas VIP Care may not cover the services. You can find more information on referrals in the Evidence of Coverage (EOC) or contact Member Services. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

If a provider submits a bill directly to you, you should not pay the bill, but should submit it to the plan for processing and determination of enrollee liability, if any.

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- **As soon as possible make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours.

You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

You must use network providers except in emergency or urgent care situations or, for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor AmeriHealth Caritas VIP Care will be responsible for the costs.

AmeriHealth Caritas VIP Care appointment wait time standards are in place to ensure timeliness of access to care. Wait times for appointments may vary but will not exceed the following:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but requires medical attention—within seven business days; and
- Routine and preventive care—within 30 business days.

What is the service area for AmeriHealth Caritas VIP Care?

The counties in our service area are Palm Beach, Broward, and Miami-Dade.

How do you find AmeriHealth Caritas VIP Care providers that serve your area?

Look in this directory to find a provider near where you live. If you know the name of the provider, the easiest way is to look them up using the alphabetical index in the back of the directory. This index includes all physicians, PCPs, specialists, hospitals and skilled nursing facilities. The index begins on page 545 and will indicate the page number in the main section of the directory where you can find the provider.

If you do not know the name of a provider, look in the main part of the directory. In this section, providers are first listed in this directory by type (for example, PCPs, Specialists, Hospitals, etc.) and are further divided by county and then city. To locate providers nearest to your home, go to the section of the type of physician or facility you are looking for and then find your county and city. The provider listing begins on page 5.

If you have questions about AmeriHealth Caritas VIP Care or require assistance in selecting a PCP, please call our Member Services department at **1-833-535-3767**, 8 a.m. – 8 p.m., Monday through Friday, from April 1 to September 30, and from October 1 to March 31, 8 a.m. – 8 p.m., seven days a week. TTY users should call **711**. You can also visit [**www.amerihealthcaritasvipcare.com/fl**](http://www.amerihealthcaritasvipcare.com/fl).
