Sección 1: introducción

Este directorio proporciona una lista de los proveedores de la red de AmeriHealth Caritas VIP Care. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

Usted deberá elegir uno de nuestros proveedores de la red que están enumerados en este directorio para que sea su proveedor de atención primaria (PCP, por sus siglas en inglés). Por lo general, usted debe obtener los servicios médicos de su PCP. Su proveedor de atención primaria es el médico u otro proveedor que consulta primero para la mayoría de sus problemas de salud. Se asegura de que reciba la atención que necesita para mantenerlo sano. También pueden hablar con otros médicos y proveedores de atención médica sobre su atención y derivarlo a ellos. En muchos planes médicos de Medicare, deberá ver primero a su PCP antes de ver a otro proveedor de atención médica.

Los proveedores de la red enumerados en este directorio han aceptado brindarle servicios de atención médica, de la vista y dentales. Puede ir a cualquiera de nuestros proveedores de la red mencionados en este directorio. Si usted ha estado yendo a un proveedor de la red, no es obligatorio que continúe viendo al mismo proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores que no pertenecen a la red.

Si un proveedor le envía una factura directamente a usted, no la pague. Envíela al plan para que se procese y se determine la responsabilidad del inscrito, de haberla.

Una "**emergencia médica**" es cuando usted, o cualquier otra persona prudente con un conocimiento promedio de salud y medicina, cree que tiene síntomas médicos que requieren atención médica inmediata para evitar la pérdida de la vida, la pérdida de una extremidad o la pérdida de la función de una extremidad. Los síntomas médicos pueden ser una enfermedad, una lesión, un dolor intenso o una afección que empeora rápidamente.

Si tiene una emergencia médica:

- **Reciba ayuda tan pronto como sea posible.** Llame al 911 para pedir ayuda o vaya a la sala de emergencias u hospital más cercanos. Llame a una ambulancia si es necesario. No es necesario obtener primero una aprobación o referencia médica de su PCP.

- **Tan pronto como sea posible, asegúrese de que nuestro plan está al tanto de su emergencia.** Necesitamos hacer un seguimiento de su atención de emergencia. Usted u otra persona deben informarnos sobre su atención médica de emergencia, por lo general, dentro de las primeras 48 horas.

Puede obtener cobertura para la atención médica de emergencia cuando la necesite en cualquier lugar de los Estados Unidos o sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que llegar a la sala de emergencias de cualquier otro modo podría poner en riesgo su salud.

Si tiene una emergencia, hablaremos con los médicos que le estén brindando la atención médica de emergencia para ayudar a administrar y a hacer un seguimiento de la atención. Los médicos que le estén brindando la atención médica de emergencia decidirán cuándo su condición sea estable y haya terminado la situación de emergencia.

Si los proveedores que lo atienden en una situación de emergencia no forman parte de nuestra red, intentaremos coordinar que los proveedores de la red se hagan cargo de su atención tan pronto como su afección médica y las circunstancias lo permitan.

Debe utilizar proveedores de la red excepto en situaciones de emergencia o urgencia, o para diálisis renal fuera del área u otros servicios. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni AmeriHealth Caritas VIP Care serán responsables de los costos.

Contamos con estándares de espera de cita de AmeriHealth Caritas VIP Care para asegurar que se acceda a la atención a su debido tiempo. Los tiempos de espera para las citas pueden variar, pero no superarán lo siguiente:

- Servicios requeridos con urgencia o de emergencia: inmediatamente;
- Servicios que no son de emergencia o urgencia pero que requieren atención médica: dentro de siete días hábiles; y
- Atención rutinaria y preventiva: dentro de 30 días hábiles.

¿Cuál es el área de servicio para AmeriHealth Caritas VIP Care?

Los condados en nuestra área de servicio son los siguientes:

Kent, New Castle y Sussex.

¿Cómo puede encontrar proveedores de AmeriHealth Caritas VIP Care que atiendan en su área?

Consulte este directorio para encontrar un proveedor cercano a su hogar. Si conoce el nombre del proveedor, la manera más fácil es buscarlo a través del índice alfabético que se encuentra en la parte posterior del directorio. Este índice incluye todos los médicos, PCP, especialistas, hospitales y establecimientos de enfermería especializada. El índice comienza en la página 550 e indica el número de página en la sección principal del directorio donde es posible encontrar al proveedor.

Si no conoce el nombre de un proveedor, busque en la parte principal del directorio. En esta sección del directorio, los proveedores están enumerados primero por tipo (por ejemplo, PCP, especialistas, hospitales, etc.) y posteriormente se dividen por condado y luego por ciudad. Para localizar a los proveedores más cercanos a su hogar, vaya a la sección del tipo de médico o centro médico que esté buscando y luego busque su condado y ciudad. La lista de proveedores comienza en la página 5.

Si tiene alguna pregunta sobre AmeriHealth Caritas VIP Care o necesita ayuda para seleccionar un PCP, llame a nuestro departamento de Servicios al Miembro al **1-833-433-3767**, del 1.º de octubre al 31 de marzo, de 8 a.m. a 8 p.m., los siete días de la semana. Del 1.° de abril al 30 de septiembre, de 8 a. m. a 8 p. m. de lunes a viernes. Los usuarios de TTY deben llamar al **711**. También puede visitar **www.amerihealthcaritasvipcare.com/de/care**.
