

## Recommended To-Do List

---

Prepared on:

---

You can get the best results from your medications by completing the items on this “**To-Do List.**”

Bring your **To-Do List** when you go to your doctor. And, share it with your family or caregivers.

### My To-Do List

|                              |                                                      |
