

## Care for the Older Adults Coding Chart

Providers treating our members 66 years and older should complete the Care for Older Adult Assessments annually. We have included the CPT and CPT II codes that can be submitted via claims. Please note, correct coding and submission of claims is the responsibility of the submitting provider.

Code	Type	Measure	Description
<b>1159F*</b>  <b>+</b>  <b>1160F*</b> <i>must be billed together</i>	CPT II	Medication Review	Medication list documented in medical record (COA)  Review of all medications by a prescribing practitioner or clinical pharmacist and documented in the medical record
<b>99483</b>	CPT	Functional Status Assessment	Cognitive Impairment Assessment and Care Planning
<b>1170F*</b>	CPT II	Functional Status Assessment	Functional Status Assessed

Please note, correct coding and submission of claims is the responsibility of the submitting provider. Submitting the correct CPT II code helps inform us that you have provided the service and may decrease the need for us to request medical records to review for this information.
